TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

Product Description: (Text limited to 120 characters)
RPII Relays (all RPII relay part numbers)

General Description of Changes
Dear Customer, we would like to inform you that TE Connectivity is transferring the manufacturing of RPII relays from one TE approved production facility to another TE approved production facility within close proximity. This change is limited to the manufacturing location only. There is no change to product design, materials, suppliers, manufacturing processes or quality controls. The electrical and mechanical specifications will remain unchanged too. Both plants are located in Czech Republic, thus the COO is not impacted. Customers will not see any change to part numbers or ordering information. Both facilities operate under TE Connectivity global quality systems. For more information regarding the datecode of change, please contact your sales representative.

Reason for Changes:
Manufacturing footprint optimization.
