OBSOLETE- USE PK-27N25WQ

## Specifications

|                                |                                                |
|--------------------------------|------------------------------------------------|
| Resonant Frequency (Hz)        | 2500 $\pm$ 500                                 |
| Operating Voltage (Vdc)        | 3 ~ 28                                         |
| Rated Voltage (Vdc)            | 12                                             |
| Current Consumption Max. (mA)  | 8 at Rated Voltage                             |
| Sound Pressure Level Min. (dB) | 90 at 30cm at Rated Voltage                    |
| Tone/Pulse Rate                | Constant                                       |
| Operating Temperature (°C)     | -20 ~ +70                                      |
| Storage Temperature (°C)       | -30 ~ +80                                      |
| Housing                        | ABS 707 UL94HB plastic resin<br>(Color: Black) |
| Leading Wire                   | 28 AWG                                         |
| Weight (Grams)                 | 6.6                                            |
| Options                        | For other options contact factory              |

## Dimensions: (units: mm)
