

# Terminal Blocks

## Eurostyle, PCB

**RoHS  
Compliant**

### Specifications:

#### Material:

|                  |                       |
|------------------|-----------------------|
| Insulator        | : PA66                |
| Insulator Colour | : Green               |
| Contact          | : Bronze, Tin Plated  |
| Screw            | : Steel, M2/Zn Plated |

#### Electrical:

|                     |                    |
|---------------------|--------------------|
| Operation Voltage   | : 300V AC max.     |
| Current Rating      | : 12A max per Pole |
| Rated Surge Voltage | : 1.6/2/3kV        |

#### Mechanical:

|                |            |
|----------------|------------|
| Torque (Lb-in) | : 1.73     |
| Solid Wire     | : 30-16AWG |

#### Environmental:

|                                   |                    |
|-----------------------------------|--------------------|
| Operating Temperature             | : -40°C to +105°C  |
| Recommended Soldering Temperature | : 235°C for 5 sec. |

Dimensions : Millimetres

### Part Number Table

| Description                   | Position | Part Number |
|-------------------------------|----------|-------------|
| Terminal Block, PCB, Vertical | 2        | EB25-04-B-L |
|                               | 3        | EB25-06-B-L |
|                               | 4        | EB25-08-B-L |
|                               | 5        | EB25-10-B-L |
|                               | 6        | EB25-12-B-L |
|                               | 8        | EB25-16-B-L |
|                               | 9        | EB25-18-B-L |
|                               | 10       | EB25-20-B-L |
|                               | 11       | EB25-22-B-L |
|                               | 12       | EB25-24-B-L |
