

FM Series

EMC METAL FILTER, IP40

PERFORMANCE

- IP40 metal filter for standard axial fans sizes 40x40 to 172x150mm und Ø150mm
- Protection against moving parts (>1mm) plus EMC shielding
- Very low pressure loss due to the fine-meshed grid made from thin wires
- Material: Frame, Aluminum; grid, stainless steel

Typ	Fan size [mm]	Dimension A-B-C [mm]	Standard packing quantity [Pcs.]	Art. No.
FM40	40x40	32-42-4	100	934010400
