

SENTRON, cylindrical fuse link, Class CC, 2.5 A, time-lag, Un AC: 600 V, respect national installation rules! for protection of control transformers, reactors and selenoids

Figure similar

| Model                                    |                          |
|--|--------------------------|
| product brand name                       | SENTRON                  |
| product designation                      | Cylindrical fuse link    |
| General technical data                   |                          |
| operating class of the fuse link         | Slow                     |
| type of voltage of the operating voltage | AC                       |
| Main circuit                             |                          |
| operational current rated value          | 3 A                      |
| Product details                          |                          |
| product component striker                | No                       |
| Mechanical Design                        |                          |
| mounting position                        | Any, preferably vertical |
| Net Weight                               | 8 g                      |
| Approvals Certificates                   |                          |
| Environment                              | General Product Approval |
