

*** spare part *** SIMATIC TDC, binary output SB71 8 BO, 24 or 48 V DC LED display, galvanic isolation

Figure similar

General information																																											
Product type designation	SB71																																										
Digital inputs																																											
Number of digital inputs	0																																										
Digital outputs																																											
Number of digital outputs	8																																										
Dimensions																																											
Width	45 mm																																										
Height	129 mm																																										
Depth	160 mm																																										
Classifications
