## Features

|                     |                                                      |
|---------------------|------------------------------------------------------|
| thermal resistance: | 18 - 7.4 K/W                                         |
| length:             | 75 mm                                                |
| surface:            | raw degreased aluminium (by the metre raw aluminium) |
| height:             | 15 mm                                                |
| width:              | 6 mm                                                 |
| plate thickness:    | 1.8 mm                                               |
