

ANSMANN Lithium-Thionylchlorid Battery ER14505 / AA

- ANSMANN brand quality for everyday use
- Excellent value for money
- Low internal resistance for greater power delivery
- High energy density
- Exceptional energy performance with low weight
- Reliable operation even at extreme temperatures of -55 - 85 °C
- Long shelf life of up to 10 years

INFORMATION

Product name Lithium-Thionylchloride Battery
ER14505 / AA

Article number 1522-0036-1

EAN-Code 4013674187553

Tariff code: 85065010900

Scope of delivery: 1 Lithium Battery ER14505 / AA

Packing + Product 60 × 15 × 80 mm / 18 g

Outer Packaging Qty 390 (360 × 280 × 250 mm)
