

# Data sheet Product SK 687 50 AL

Profile heatsinks and liquid coolers>Extruded heatsinks for PCB mounting  
42 x 35 mm, for use on Euro cards, profile thread

## Features

|                     |                                                      |
|---------------------|------------------------------------------------------|
| way of fixation:    | transistor screw mounting                            |
| width:              | 42 mm                                                |
| height:             | 35 mm                                                |
| plate thickness:    | 8 mm                                                 |
| length:             | 50 mm                                                |
| thermal resistance: | 7.1 - 3.35 K/W                                       |
| surface:            | raw degreased aluminium (by the metre raw aluminium) |

## Technical Drawing
