

Product Change Notification – Minor change

PCN #: PCN26-0005	Rev: 1.0	Issue Date: February 18, 2026																					
Purpose of notification: Addition of Approved Base Material Supplier for Substrates Used in SD and microSD Cards Type of notification: Minor change, for informational notice only																							
Detailed Description: Due to an EOL of a sub-supplier providing the base material, we have evaluated a new base material for our SD and microSD cards. This ensures continued high-quality production and mitigates supply risks. The new base material has already been successfully used in other Swissbit products and has been deployed in high volumes for years. This ensures proven reliability and performance consistency. There are no changes to the substrate supplier itself—only the base material is changing. <table border="1" style="width: 100%; border-collapse: collapse; margin: 10px 0;"> <thead> <tr> <th style="width: 30%;">Parameter</th> <th style="width: 35%;">Old base material</th> <th style="width: 35%;">New base material</th> </tr> </thead> <tbody> <tr> <td>Tg (DMA)</td> <td>210–225°C</td> <td>230°C</td> </tr> <tr> <td>CTE x/y-axis</td> <td>11–15 ppm/°C</td> <td>14–15 ppm/°C</td> </tr> <tr> <td>Flexural Modulus (GPa)</td> <td>23–28</td> <td>28</td> </tr> <tr> <td>Permittivity @ 1GHz</td> <td>4.6–4.8</td> <td>4.9</td> </tr> <tr> <td>Flammability</td> <td>94V-0</td> <td>94V-0</td> </tr> <tr> <td>Peel Strength (12um Cu)</td> <td>0.75–0.85 kN/m</td> <td>0.90kN/m</td> </tr> </tbody> </table> The new base material have been evaluated and qualified according to Swissbit's qualification process. No impact on quality, reliability or functionality is expected, and full backward compatibility with the current substrate is ensured. No additional customer qualification is recommended. There is no change to form, fit or function, no change to Swissbit part numbers, and no change to performance or datasheets. Depending on availability, the controlled transition to mixed use of approved suppliers will begin. Full component traceability is always ensured.			Parameter	Old base material	New base material	Tg (DMA)	210–225°C	230°C	CTE x/y-axis	11–15 ppm/°C	14–15 ppm/°C	Flexural Modulus (GPa)	23–28	28	Permittivity @ 1GHz	4.6–4.8	4.9	Flammability	94V-0	94V-0	Peel Strength (12um Cu)	0.75–0.85 kN/m	0.90kN/m
Parameter	Old base material	New base material																					
Tg (DMA)	210–225°C	230°C																					
CTE x/y-axis	11–15 ppm/°C	14–15 ppm/°C																					
Flexural Modulus (GPa)	23–28	28																					
Permittivity @ 1GHz	4.6–4.8	4.9																					
Flammability	94V-0	94V-0																					
Peel Strength (12um Cu)	0.75–0.85 kN/m	0.90kN/m																					
Quality impact: No impact																							
Reliability impact: No impact																							

Product Change Notification – Minor change

Product series affected:

Series	Part Number	New Part Number
S-250	SFSDdddLgBNxWI-t-xx-xxx-zzz	No change, traceability over lot code
S-250u	SFSDdddNgBNxWI-t-xx-xxx-zzz	
S-50	SFSDdddLgAMxTB-t-xx-xxx-zzz	No change, traceability over lot code
S-50u	SFSDdddNgAMxTg-t-xx-xxx-zzz

S-60	SFSDdddLgASxTB-t-xx-xxx-zzz	No change, traceability over lot code
S-66	SFSDdddLgASxTB-t-xx-xxx-zzz	

d = drive capacity; g = generation; t = temperature grade; x = configuration and options; z = standard or customer specific

Implementation date: Estimated March 2026, floating transition to mixed use based on stock.

Traceability of the products is given via lot code.

Should you have any questions or concerns with the content of this change, please contact the Swissbit PCN team at customer.pcn@swissbit.com within 30 days. No response will be deemed as customer's acceptance of the change and the change will be implemented pursuant to the implementation date set forth in this PCN.

IMPORTANT NOTE:

Swissbit – as a provider of industrial products – announces and informs about every change in the product hardware and firmware. We always test backwards compatibility and assure best quality, reliability and transparency for our customers. We apologize for any inconvenience caused.

The dates mentioned are subject to change based on business and operational conditions.
