Dear Valued Customer,

Product Change Notification**Type of Notification: Substances to be eliminated under the Stockholm Convention (POPs)**

We greatly appreciate your continuous support for our business. At the Conference of the Parties to the Stockholm Convention (COP11), "Dechlorane Plus" and "UV-328" will be newly listed in Annex A and those substances will be regulated in each country. This is announcement of corrective action for Cosel products.

1. Applicable Product

Please refer to "Applicable Product List" as Appendix 1

Excluding EOL products: LDA, LEA and LEP series which were discontinued.

2. Description of Change

Change to parts (materials) that do not contain "Dechlorane Plus" or "UV-328".

This change does not affect any specifications or the performance regarding the applicable Cosel products.

3. PCN Effective Date

Product change applies shipping from Factory on and after 1st of July 2024.

Should you have any questions or concerns, please contact our local sales representatives.

Best regards,

Isao Yasuda
