

Riverdi Display 5" Res

PID: MIKROE-2170

A high-quality cost-effective 5" TFT display with a resistive touch screen and a metal mounting frame for easier integration. Easy to use with MikroElektronika development tools.

Specifications

Type	TFT
Display size	5"
Graphic controller	FT812
Touch Screen	Resistive
Interface	QSPI, SPI
Input Voltage	3.3V
Frame Type	Mounting frame

Mikroe produces entire development toolchains for all major microcontroller architectures.

Committed to excellency, we are dedicated to helping engineers bring the project development up to speed and achieve outstanding results.

ISO 27001: 2013 certification of informational security management system.
ISO 14001: 2015 certification of environmental management system.
OHSAS 18001: 2008 certification of occupational health and safety management system.

ISO 9001: 2015 certification of quality management system (QMS).
