1) 36 poles = max. 6.8 A

Technical drawing of the 1610740000 connector. The drawing includes a perspective view of the black plastic housing with 16 pins, a side view showing the pin profile with dimensions 2.5 and 2.5, and a top view showing the pin layout with dimensions 14.2, 13.1, 11.3, 7, 3.5, 2.5, and formulas for pin spacing: $(n/2-1) \times 3.5$ and $(n/2-1) \times 3.5$. A note indicates "Mounting screw: Part No. 1610740000".
